DITCH THE FIT FRUSTRATION,
GET THE ZIRFIT™ RESTORATION!

ZirFit Solid Zirconia

With our 100% California-made ZirFit™ Zirconia, we deliver guaranteed beautiful fits. If there's a problem, we'll take care of it immediately—no blame and no charge. Our 5-axis machines mill within the microns of accuracy necessary to create perfect margins, contacts and occlusion. The result is best in class fits and contour. Perfect for bruxers and an ideal alternative to PFMs, these translucent full-contour zirconia restorations offer your patients incredible strength and beauty.
